

Boot Process Worksheets

Due Class 2

Name: _____

For this activity you will need to observe the boot process of **three** personal computers. At least one of these must be a Windows XP computer. Try to boot another kind of computer, maybe a Macintosh or a computer with a different flavor of Windows. Try to seek out an older, rarer or obscure operating system.

For each computer you must complete the following:

Computer Brand & Model:			
Approximate age:		Ram:	
Operating System:		Storage:	
Bios:		Network connection:	
Boot time(cold):		Boot time(restart):	
Boot Sounds:			
Boot Messages:			
Narrative observation:
